Hull Clinical Commissioning Group

The way it was...

- A range of services, groups and organisations supporting older people in Hull
- Support was often localised, working in isolation and often fragmented.
- Often a lack of effective engagement, relationships and use of resources
- Duplication and gaps in service delivery

Older Peoples Partnership Hull

Some of our other partners:

- Autism Plus/Community Guardians
- Inspire Communities
- Carers Information & Support Service
- Hull Churches Home From Hospital
- Penny Brohn Cancer Care

Older Peoples Partnership Hull

Who we are & what we do....

- a multi agency partnership promoting the needs of older people.
- assist in co-ordinating and improving existing services for older people
- identify and target additional resources to enhance existing service provision and delivery

Older Peoples Partnership Hull

There's more!

- provide and stimulate more creative approaches to problems & issues.
- have developed simple yet effective engagement and intervention strategies.
- Importantly we offer a pool of collective knowledge and expertise around services for older people, accessible and beneficial to all partners...

Older People's Partnership Hull

The Hull OPP “has established itself as the go-to agency in Hull for information about older people’s services”

The OPP “provides the most effective partnership group which we attend”

Older Peoples Partnership Hull
