

Proposed Changes to Practice Boundary

The purpose of this paper is to provide information to the Primary Care Commissioning Committee on an application received from St Andrew's Group Practice (B81027) to change its practice boundary and to seek the Committee's approval to authorise this.

In considering the application NHS England has followed the guidance from the Policy Booklet for Primary Medical Services (Chapter 6, section 14 – boundary changes)

Background to the Application

St Andrews Group Practice (B81027)	
Main details of the application	<p>Due to recent mergers, St Andrews Group Practice would like to redefine its practice boundary so it is clear where is and is not included. They would like to accurately define the practice boundary so that for new patients, it will focus on the areas they have traditionally served and that are in close proximity to their surgeries. The revised boundary will exclude areas where it is impracticable, due to distance, to provide a full service</p> <p>They currently service 19 residential homes with 82 residents spread over much of West Hull and its satellite communities. They wish to focus on the 9 homes nearest to our surgeries who account for 60 residents</p> <p>The Newington area is currently benefitting from re-development of residential housing. Occupiers will naturally gravitate towards a local medical service provider.</p> <p>Existing patients outside the new boundary will continue to be serviced until they move residence</p>
Practice Address	Elliott Chappell Health Centre, 215 Hessle Road, Hull. HU3 4BB
Branch Surgery	Newington Health Centre, 2 Plane St, Anlaby Road, Hull HU3 6BX
Current Map / boundary	See i Appendix 1i with current maps of all 3 previous surgeries pre-merger
Proposed New Map / boundary	<p>The current practice boundary is poorly defined relying on arbitrary lines drawn on indistinct maps. By relying on postcode areas we can accurately define areas where we are able to provide a full service. Postcodes to be included :</p> <p>HU1 - 1, 2 & 3 HU2 - 0 & 9 HU3 - 1, 2, 3, 4, 5, 6 HU4 - 6 & 7 HU5 - 1, 3, 4 & 5 HU13 - 9</p>

Other Affected Practices

The following table details the number of practices within Hull and East Riding who will be affected by the proposed changes in relation to new patient registrations. This table also shows the movement in these practices list over the previous year and provides an overview of the situation in that area.

St Andrews Group Practice

Would like to redefine their boundary to include the following postcodes:

- HU1 - 1, 2 & 3
- HU2 - 0 & 9
- HU3 - 1, 2, 3, 4, 5, 6
- HU4 - 6 & 7
- HU5 - 1, 3, 4 & 5

- HU13 - 9

The table below details those practices who are in those postcodes

Practice Code	Practice Name	List Size 31.12.16	List Size 31.12.17	Increase / Decrease
B81011	Kingston Health (Hull)	9011	9185	↑
B81017	Kingston Medical Group (CHCP)	7271	15,118 Merged list	↑
B81032	Wilberforce Surgery	3146	3479	↑
B81035	The Avenues Medical Centre	6251	6388	↑
B81038	The Oaks Medical Centre	7366	7356 Closed list	↓
B81047	Dr Singh And Partners	7018	7063	
B81052	Dr Musil And Partner	6034	6320	↑
B81056	The Springhead Medical	16,458	16,897	↑

	Centre			
B81058	Sydenham Group Practice	7846	7951	↑
B81075	Hastings Medical Centre	1941	2545	↑
B81675	Newington Health Care centre (CHCP)	8163	10,870 Merged list	↑
B81010	Hessle Grange	12,539	12,567	↑
B81619	Park View Surgery	4232	4427	↑

From the figures, it appears that the lists of practices who are in those postcodes have increased although some of these are due to practice mergers

Recommendation from NHS England

NHS England has no objections on the above changes to practice boundary.

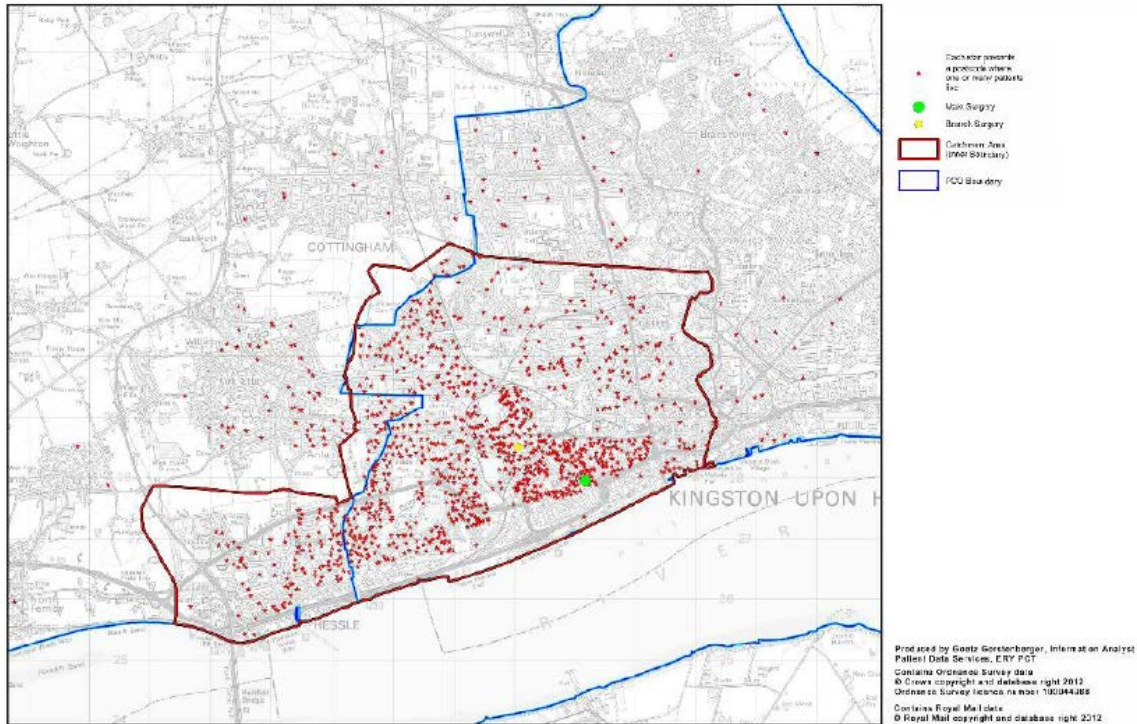

Action for the Primary Care Commissioning Committee:

The Primary Care Commissioning Committee is asked to note the report and make a decision based on the information in the report.
