

JOINT STATEMENT

HULL CITY COUNCIL AND NHS HULL CLINICAL COMMISSIONING GROUP

Following extensive stakeholder engagement and consultation Hull City Council (Hull CC) and NHS Hull Clinical Commissioning Group (CCG) are progressing plans to deliver an improved range of short breaks for children with disabilities and their families, including the overnight Disability Short Breaks (DSB) offer. Hull CC will be developing a new site over the next 18 months to deliver a range of services, including overnight stays. Sunshine House, which is commissioned by NHS Hull CCG, will continue to form part of the DSB offer.

NHS Hull CCG is continuing to explore options for improved integration of community health and care services for children, young people and their families.

Hull CC and NHS Hull CCG are committed to continuing to work closely together with children and families on the coproduction of new and redesigned services.
