COMMISSIONING CYCLE AND POTENTIAL CONFLICTS OF INTEREST

Notes:

- The illustrations given below should not be considered to be prescriptive in every instance.
- These are guidelines and both the materiality of the conflict and the significance of the issue should be considered carefully by the Chair in deciding on how to manage the conflict.
- It is the responsibility of the Chair to review the agenda and operate caution in terms of deferment or referral if necessary.
- Chairs to also consider potential conflicts of interest arising from verbal reports.
- Links should be considered to strategy direction e.g. is the introduction of a Local Enhanced Service in line with the strategy?
- If significant/complete conflict of interest at a locality level the matter could be referred to the CCG for decision.
