PURPOSE OF REPORT:

The purpose of this policy is to promote and develop a culture that values and engages in regular safeguarding supervision in order to provide high quality services, advocating best practice and safe service development and one which supports professionals to reflect on their working practices, supports decision making and considers the impact that decision making has on outcomes for children and families and adults in need of care and support.

RECOMMENDATIONS:

a That the members of the NHS Hull CCG Quality and Performance Committee approve this policy in relation to safeguarding supervision and support.

REPORT EXEMPT FROM PUBLIC DISCLOSURE No Yes

If yes, detail grounds for exemption

CCG STRATEGIC OBJECTIVE *(See guidance notes on page 4)*

3. Delivery of Statutory Duties

4. Quality and safety

Short summary as to how the report links to the CCG's strategic objectives

NHS Hull CCG has statutory responsibilities in relation to children in accordance with the Children Acts 1989 and 2004 including having effective arrangements to safeguard and promote the welfare of children and adults in place.

Section 11 of the Children Act 2004 places duties on a range of organisations, agencies and individuals to ensure their functions, and any services that they contract out to others, are discharged having regard to the need to safeguard and promote the welfare of children. This includes appropriate supervision and support for staff.

IMPLICATIONS: *(summary of key implications, including risks, associated with the paper),*

Finance	There are no financial risks associated with this report
HR	There are no HR implications associated with this report
Quality	Risks identified that are not addressed may result in safeguarding concerns. Identified quality issues not addressed may result in unacceptable levels of care and poor performance from contracted providers.
Safety	Identified risks that are not addressed may result in safety concerns for children and adults at risk of, or experiencing abuse and neglect.

ENGAGEMENT:

This policy has been shared widely with NHS Hull CCG staff for consultation and comments.

LEGAL ISSUES:

There are no legal issues relevant to this report

EQUALITY AND DIVERSITY ISSUES: *(summary of impact, if any, of CCG's duty to promote equality and diversity based on Equality Impact Analysis (EIA). All reports relating to new services, changes to existing services or CCG strategies / policies must have a valid EIA and will not be received by the Committee if this is not appended to the report)*

	Tick relevant box
An Equality Impact Analysis/Assessment is not required for this report.	
An Equality Impact Analysis/Assessment has been completed and approved by the lead Director for Equality and Diversity. As a result of performing the analysis/assessment there are no actions arising from the analysis/assessment.	√
An Equality Impact Analysis/Assessment has been completed and there are actions arising from the analysis/assessment and these are included in section xx in the enclosed report.	

THE NHS CONSTITUTION:

Safeguarding children and adults is integral to the NHS Constitution and is framed by the values and principles which guide the NHS, with particular reference to the provision of high quality care that is safe, effective and focussed on patient experience. Safeguarding supervision supports these values and is a requirement within statutory guidance.
