Individual identified with a Learning Disability and added to the GP Practice LD Register

Send letter to the individual, inviting them for a Health Check

(Using invite template and sending easy read information on LD Health Checks)

Invite Declined

Contact the individual or family/carer to determine the reasons for declining the invite.

Send further information from MENCAP's 'Don't Miss Out' Campaign and liaise with the Community LD Team to assist in encouraging uptake

Send Pre-Health Check

Questionnaire to the individual or
family/carer

(At least 2 weeks before appointment)

Make reasonable adjustments for the individual in preparation of attending for the health check

Health Check

- Use NHS England template via SystmOne/EMIS
- Produce Health Action Plan, share with patient and family/carer if appropriate
