

**PRIMARY CARE COMMISSIONING COMMITTEE
MEETING HELD ON 28th FEBRUARY 2020
CHAIR'S UPDATE REPORT**

Part One

INTRODUCTION

This is the Chair's report to the Clinical Commissioning Group Board following the February 2020 Primary Care Commissioning Committee.

GOVERNANCE

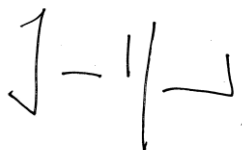

The Committee received the Audit One report Contract Oversight and Management Function in relation to primary medical care commissioning. The report provided assurance in relation to way the CCG's its devolved commissioning processes.

STRATEGY

The Committee noted the change of Sydenham House practice from a partnership to a single-handed contract and the extension of the Haxby APMS Orchard Park and Kingswood contract for a further 5 years. The Committee considered a request to novate the Delta Healthcare GMS contract to Delta Healthcare and Cosmetics. The request was declined. The Committee also received updates in relation to the commissioning of the CCG's Extended Primary Medical Care Services and Minor Surgery services. A proposal to utilise PMS Premium resources to support the purchase of patient check-in screens/electronic information boards was approved by the Committee.

SYSTEM DEVELOPMENT & IMPLEMENTATION

The Committee received a report providing an update on the GP Contract for 2020/21 – 2023/24 which included details of the Additional Roles Reimbursement Scheme, the National Service Specifications and the Investment and Impact Fund.
