**PURPOSE OF REPORT:**

The purpose of this report is to highlight the Outbreak Prevention and Management Plan for Hull, and ensure that the CCG Board are aware of the work that is being planned and undertaken to prevent and manage outbreaks of COVID-19 in the City.

**RECOMMENDATIONS:**

- That the Board note the existence of the Hull Outbreak Prevention and Management Plan;
- That the Board note the gaps that have been highlighted and the work that is being undertaken to address these gaps; and
- That the Board support the DPH and local system by engaging with the Hull Outbreak and Management Plan as necessary.

## CCG STRATEGIC OBJECTIVE

Integrated and Joint Commissioning  
Integrated Delivery  
Quality and Safety

The Hull Outbreak Prevention and Management Plan will require multi-agency working to ensure that the health of the population is protected, which is a quality and safety objective; Hull CCG are a key partner in this endeavour and integrated commissioning and delivery will be required for the success of the plan.

## IMPLICATIONS:

Finance	Nil identified for the CCG at this point
HR	N/A
Quality	This will support the quality and safety agenda across a number of providers where the CCG is an associate to the contract and therefore engagement will provide assurance that necessary actions are being taken.
Safety	This will support the quality and safety agenda across a number of providers where the CCG is an associate to the contract and therefore engagement will provide assurance that necessary actions are being taken.

## ENGAGEMENT:

This plan has been developed as part of the response to the coronavirus pandemic by the Director of Public Health; Local Authority, NHS, and PHE colleagues have had input in to the plan and the subsequent actions.

The Plan details out the governance structure which includes a member-led engagement board which will meet in public with the aim of representing the public view.

## LEGAL ISSUES:

This Plan has been mandated as part of the response to the coronavirus pandemic.

**EQUALITY AND DIVERSITY ISSUES:**

	<b>Tick relevant box</b>
An Equality Impact Analysis/Assessment is not required for this report.	✓
An Equality Impact Analysis/Assessment has been completed and approved by the lead Director for Equality and Diversity. As a result of performing the analysis/assessment there are no actions arising from the analysis/assessment.	
An Equality Impact Analysis/Assessment has been completed and there are actions arising from the analysis/assessment and these are included in section xx in the enclosed report.	

**THE NHS CONSTITUTION:**

*The NHS works across organisational boundaries:* This plan requires cross-agency working to be successful

*The NHS is accountable to the public, communities and patients that it serves:* This plan includes a specific member-led engagement board to ensure that the actions and outcomes are linked to people.
