

**PRIMARY CARE COMMISSIONING COMMITTEE  
MEETING HELD ON 23<sup>rd</sup> October 2020  
CHAIR'S UPDATE REPORT**

**Part One**

**INTRODUCTION**

This is the Chair's report to the Clinical Commissioning Group Board following the October 2020 Primary Care Commissioning Committee.

**GOVERNANCE**

The Committee noted the Primary Medical Care Commissioning Final Internal Audit Report covering the Primary Care Finance and Governance elements of the NHS England audit framework.

**STRATEGY**

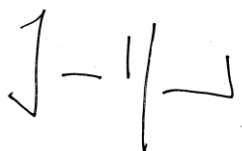

The Committee received an application from Dr Cook to extend the list closure for the practice for a further 12 months. The Committee approved a 6 month extension. The Committee approved the extension of minor surgery commissioning arrangements to March 2021, two improvement grant applications from practices, and the recruitment by two PCNs of additional Pharmacy Technicians and First Contact Physiotherapists over and above the limits set by NHS England.

The Committee noted that, through mutual agreement, notice had been given to CHCP to end the Improved Access service contract on 31<sup>st</sup> March 2021.

**SYSTEM DEVELOPMENT & IMPLEMENTATION**

The Committee approved the service specifications for the Ring Pessary Fitting service and the Secondary Care Generated Interventions which will be commissioned from 1<sup>st</sup> October at individual practice level and at PCN level from April 2021.

The Committee received and considered the Primary Care COVID-19 Response Engagement Update Report.
