

**PRIMARY CARE COMMISSIONING COMMITTEE
EXTRAORDINARY MEETING HELD ON 26th FEBRUARY 2021
CHAIR'S UPDATE REPORT**

Part One

INTRODUCTION

This is the Chair's report to the Clinical Commissioning Group Board following the February 2021 Primary Care Commissioning Committee.

GOVERNANCE

There were no items of Governance discussed.

STRATEGY

The Committee considered a request from Dr Jaiveloo to close his practice list. The Committee approved a 6 month closure of the list. The Committee received a number of other updates from NHS England regarding matters affecting general practice.

SYSTEM DEVELOPMENT & IMPLEMENTATION

The Committee considered the Risk Register and noted that a rewording of risk 902 was to be considered by the Integrated Audit and Governance Committee and the Committee approved a workplan for 2021/22

The Committee considered and approved the Minor Surgery specification and for the service to be commissioned through Primary Care Networks (PCNs). The Committee also considered and approved a scheme for the prevention of strokes related to arial fibrillation and the utilisation of PMS premium resources to support it. The Committee received a report in relation to primary care workforce and the various elements of support available to practices and PCNs.

ANY OTHER BUSINESS

The Committee received the Primary Care Delegated Finance Report to Month 10 (January 2021).
