To ratify	<input type="checkbox"/>	To discuss	<input type="checkbox"/>
To consider	<input type="checkbox"/>	For information	<input type="checkbox"/>
To note	<input checked="" type="checkbox"/>		

PURPOSE OF REPORT:

The purpose of the report is to provide the NHS Hull CCG Board with the Learning Disabilities Mortality Review (LeDeR) Annual report for 2020/21.

The report was submitted to the Quality and Performance Committee on 18th June 2021 whereby assurances were confirmed in respect of processes, learning and the priorities for 2021/22.

This the third Learning Disabilities Mortality Review (LeDeR) Programme Annual Report from NHS Clinical Commissioning Groups (CCG'S) and the first joint Humber CCG's Annual Report.

This report has been written on behalf of the following CCG's:

- NHS North Lincolnshire Clinical Commissioning Group (NLCCG).
- NHS North East Lincolnshire Clinical Commissioning Group (NELCCG).
- NHS East Riding of Yorkshire Clinical Commissioning Group (ERYCCG).
- NHS Hull Clinical Commissioning Group (Hull CCG).

The report provides detail of the themes and trends identified from reviews, good practice, where improvement is required and recommendations for 2021/22.

The report was published online by 30th June 2021, the Humber CCGs will also ensure this is published in an `easy read` version.

PROCESS	R.A.G. RATING OF LEVEL OF CONFIDENCE
NHS Hull CCG has robust systems and processes in place for the management of Learning Disability Mortality reviews.	High

RECOMMENDATIONS:

- The NHS Hull CCG Board is asked to note the contents within the report and the recommendations made within.
- The NHS Hull CCG Board are asked to note the priorities for 2021/22.

REPORT EXEMPT FROM PUBLIC DISCLOSURE

No Yes

If yes, grounds for exemption
(FOIA or DPA section reference)

CCG STRATEGIC OBJECTIVE

1. Facilitate strategic Humber-wide planning and transformation, focusing on quality outcomes and patient experience as the catalysts for clinically-led change.
2. Monitoring the quality of care provided by the main CCG-commissioned services is part of specific objectives:
 - Patients receive clinically commissioned, high quality services
 - CCG plans are delivering better outcomes for patient

IMPLICATIONS:

Finance	No fiscal implications are identified in the report that would impact upon NHS Hull CCG
HR	No human resources implications are identified in the report that would impact upon NHS Hull CCG
Quality	Concerns are identified within the report to the quality of care provided following some LeDeR reviews. Recommendations are made and where appropriate quality and safety concerns are escalated from the LeDeR panel to the provider for discussion, assurance and agreement on actions taken.
Safety	No immediate safety concerns are identified within the report.

ENGAGEMENT:

The report is a presentation of data, information and themes and although an Equality Impact Assessment has been considered, it is not thought applicable to this type of report.

LEGAL ISSUES:

No direct legal issues. There are some contractual issues that relate to the data in this report but there are no legal issues that the Committee require to consider when receiving this paper

EQUALITY AND DIVERSITY ISSUES: (summary of impact, if any, of CCG's duty to promote equality and diversity based on Equality Impact Analysis (EIA). **All reports relating to new services, changes to existing services or CCG strategies / policies *must* have a valid EIA and will not be received by the Committee if this is not appended to the report)**

	Tick relevant box
An Equality Impact Analysis/Assessment is not required for this report.	X
An Equality Impact Analysis/Assessment has been completed and approved by the lead Director for Equality and Diversity. As a result of performing the analysis/assessment there are no actions arising from the analysis/assessment.	
An Equality Impact Analysis/Assessment has been completed and there are actions arising from the analysis/assessment and these are included in section xx in the enclosed report.	

THE NHS CONSTITUTION:

The report supports the delivery of Section 2a of the NHS Constitution: "You have the right to expect NHS organisations to monitor, and make efforts to improve, the quality of healthcare they commission or provide."
