

**PRIMARY CARE COMMISSIONING COMMITTEE
MEETING HELD ON APRIL 23rd 2021
CHAIR'S UPDATE REPORT**

Part One

INTRODUCTION

This is the Chair's report to the Clinical Commissioning Group Board following the April 2021 Primary Care Commissioning Committee.

GOVERNANCE

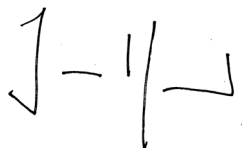

There were no items of Governance discussed.

STRATEGY

The Committee received various NHS England updates. The Committee considered and approved an application from Dr Cook for an extension to the practice's list closure. The Committee considered a proposal to make a payment to Newland Health Centre in light of the list size reduction experienced as a large proportion of its patients are students. It was agreed that further information was required before a decision could be made. The Committee approved continued support to PCNs for Lead Nurse, Lead Clinical Pharmacist and Business Intelligence Lead roles.

SYSTEM DEVELOPMENT & IMPLEMENTATION

The Committee considered the Risk Register and received the Primary Care Delegated Finance Report. The Committee considered and approved a proposal to cease additional payments to CHCP for repeat contraception and for patients to be redirected to their practice from 1 July 2021. It was an agreed that an outcome report would be taken to the February 2022 Committee.
