

**PRIMARY CARE COMMISSIONING COMMITTEE
MEETING HELD ON DECEMBER 17TH 2021
CHAIR'S UPDATE REPORT**

Part One

INTRODUCTION

This is the Chair's report to the Clinical Commissioning Group Board following the December 2021 Primary Care Commissioning Committee.

GOVERNANCE

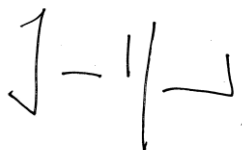

The Committee received an update on proposed governance arrangements for primary medical care services within the new Integrated Care System (ICS) from April 2022.

STRATEGY

The Committee considered a request from Delta Healthcare for a list closure and approved a closure of 3 months. The Committee also received details of ICS expectations of general practice in the context of Omicron and the COVID-19 vaccination booster programme.

SYSTEM DEVELOPMENT & IMPLEMENTATION

The Committee considered next steps for the adult fostering and adoption health and medical assessment service. The Committee received the risk register report and was advised that approval was being sought from the Integrated Audit and Governance Committee to increase the rating of Risk 902 from High to Extreme. The Committee also received the Primary Care Delegated Finance Report.
