

**PRIMARY CARE COMMISSIONING COMMITTEE
MEETING HELD ON FEBRUARY 25TH 2022
CHAIR'S UPDATE REPORT**

Part One

INTRODUCTION

This is the Chair's report to the Clinical Commissioning Group Board following the February 2022 Primary Care Commissioning Committee.

GOVERNANCE

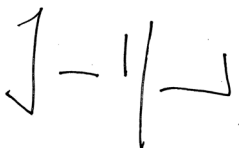

The Committee received an update on progress in the development of governance arrangements for primary medical care services within the new Integrated Care System (ICS) from July 2022.

STRATEGY

The Committee considered a request from Sydenham Group Practice for a list closure and approved a closure of 12 months. The Committee received an update on PCN configuration and supported continuation of PCN Lead Nurse, Lead Clinical Pharmacist and BI Lead roles.

SYSTEM DEVELOPMENT & IMPLEMENTATION

The Committee received the risk register report and Primary Care Delegated Finance Report. The Committee received a report on repeat contraception and approved in principle a payment to CHCP in relation to associated prescribing costs. The Committee received a report on engagement with communities likely to require the support of interpretation and translation services
