

Audit Completion Certificate issued to the Governing Body of NHS Hull Clinical Commissioning Group for the year ended 31 March 2022

In our auditor's report dated 20th June 2022 we explained that the audit could not be formally concluded until we had completed the work necessary to satisfy ourselves that the CCG has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

This work has now been completed.

No matters have come to our attention since 20th June 2022 that would have a material impact on the financial statements on which we gave our unqualified opinion.
